

Guest lecture: Imaging In Oncology

Speaker: Dr Supreeta Arya, ex Professor, Radio-diagnosis, Tata Memorial Hospital Mumbai.

Department of Medical Education, AIIMS, Rishikesh scheduled a Guest Lecture on 30 Jan 2018 delivered by Guest Speaker Dr Supreeta Arya, ex Professor, Radio-diagnosis, Tata Memorial Hospital Mumbai.

Dr Supreeta Arya is an eminent researcher and academician. She has many publications including book chapters, editorials, leading articles, review articles, original articles, etc.

In her very illuminating and interesting talk, Dr Supreeta Arya, stressed on use of modern imaging methods in management of patients with cancer and of their disease. She highlighted how it is vital that clinicians treating them understand relevance of different imaging techniques for specific applications, so that best choice can be made to aid diagnosis and monitor response to treatment. She pointed out strengths and weaknesses of each method, using clinical examples where appropriate. Session was chaired by Prof Manoj Gupta (Dean Student welfare).
